SIR,

Construction of a Town Hall at Koppa at an estimated cost of Rs 5740/-

****

In forwarding herewith the file of correspondence ending with Koppa Amildar's report No P C 61/33-34 dated 30-10-33 on the above subject, I have the honour to state that for want of a suitable building, the Veterinary Dispensary at Koppa was located in a portion of the Reading Room. As the existing accommodation was found insufficient for the growing needs of the Dispensary it was considered desirable to make over the entire building for the dispensary, effecting certain alterations at an estimated cost of Rs 763/- and to make arrangements for the construction of a new building for the Reading Room out of the funds at the credit of the Taluk Progress Committee and the Coronation Committee The Amildar President has accordingly sent an estimate for Rs 5740/-(the estimate being duly scrutinised by the Public Works Department) for the construction of a Town Hall or Reading Room at Koppa, on the plot of ground situated between the Police Station and the Hospital As regards the ways and means for meeting the cost of the estimate, the Amildar states that only a sum of Rs 3500/- as noted in the margin is available,

1	Taluk Progress Committee with interest up to end of June 1933	808-13-11	that as regards
2.	Coronation fund do	065-8-3	
3	Contribution from the Koppa Municipality	372-0-0	the
4	Contribution from the District Board for repairs to the Veterinary Dispensary at Koppa (the entire cost of repairs being met from the Municipal funds)	254-0-0	balance

5	Promised by Mr M S Dyavegowda	2240-0-0	of Mr M.S Dyavegowda
	Grand total	5740-6-2	Proprietor, Shankar Motor Service to sup-

plement the balance of Rs 2240/- in case the Town Hall is named after his late father as " M D Sidde Gowda's Town Hall" may be accepted The donor has executed an agreement before the President, Koppa Town Municipal Council on 21-10-33 (enclosed in the file) binding himself to construct the Town Hall in any manner prescribed by Government and complete it and hand it over to the Municipal President on or befo June 1934

I am of opinion that the offer might be accepted in view of the fact that Mr M S Dyave gowda is an influential and respectable person in these parts and that his offer to pay the balance of Rs 2240/- especially at a time when there is tightness in the money market is worthy of consideration A suitable public building at Koppa is a desideratum and the construction of this building will add to its amenities In these circumstances, I request that sanction of Government may kindly be obtained to the plan and estimate for Rs 5740/- for the proposed construction of the Town Hall at Koppa (2) to the utilisation of the funds at the credit of the Taluk Progress and Coronation Committees for the building and (3) to naming the Town Hall as - " M D Sidde Gowda's Town Hall" and to entrust the execution of the work as per plan and estimate got up by the Department of Public Works to Mr M S Dyave Gowda, the progress of the same being scrutinized by the said Department from time to time and the same communicated to me for needful action
